#Communicate2Elevate

Dear Residents:

I hope everyone had a nice start to the New Year. We have had some wonderfully mild weather which hopefully will continue through the remainder of the winter. And, as always, a reminder to please be extra courteous of our children and our pets while driving through our Township. Some things I wanted to share:

Street Light Outages: Just a reminder....If you are aware of any street lights that are not operating, please let the village know. We will address those immediately.

ANJEC: At our last Township meeting, we had a presentation by ANJEC who communicated the importance of achieving responsible and sustainable use of New Jersey's natural resources and protection of environmental health. We appreciate their attendance.
