## Mayor's Monthly Message

- Hello! It was a pleasure to be sworn in as the Mayor of Edgewater Park Township, at the January 4, 2019 Township Re-Organization ceremony. We were pleased to have the First Lady of NJ Tammy Murphy and State Senator Troy Singleton in attendance. They both communicated to me that they love our Town, and what we are looking to accomplish here in Edgewater Park Township.
- As your Mayor, I believe that two-way communication is one of the keys to success for the Township of Edgewater Park. As part of this effort, I will continue on with the monthly "Mayor's Message". I will be using this space to pass along information relating to projects and happenings within Edgewater Park Township. I will also provide information through social media, this newsletter, and press releases in an attempt to keep you better informed.
- I also expect and would welcome more communication from you! There are several ways to reach out and communicate with your Township Committee folks and mayor. Please visit our Township website at [www.edgewaterpark-nj.com](http://www.edgewaterpark-nj.com). I am also looking for ways to allow our citizens to "Report a Concern". This will be the proper channel and portal to notify the appropriate departments of things such as water leaks, pot holes, code violations, street concerns etc.
- I am looking to institute a monthly "Coffee with the Mayor" date/time/location TBD.
- **PUBLIC SAFETY**  
There are never enough thanks for the job that our public safety workers do to protect our Township. The EP Police Department, and EP DPW go over and above their normal duties and we are fortunate to have such dedication. I am very grateful for their professionalism!
- On behalf of your Township Committee, here's to a great 2020!
