DOG LICENSE REGISTRATION

Dogs must be licensed annually before June 1st. All Dogs - seven months of age or older - are required by New Jersey law to be licensed and vaccinated for rabies (and every year thereafter). There is also a limit on the number of dogs and cats that are permitted in a residence. Any residence may contain only a total of six dogs or cats altogether, except that a litter or portion there-of may be kept for a period of five months without a permit issued by the board of health annually.
