

2026 DOG LICENSE INFORMATION

NEW CHANGES PLEASE READ CAREFULLY

The Township will no longer be offering 3-year licenses. Beginning 2026 you will only be able to renew or apply for a one-year dog license with proof of a current rabies certificate, which does not expire prior to November 1st of the licensing year, and if a new dog and the dog is spayed/neutered proof of spaying/neutering must be provided. All dog licenses must be renewed by January 31, 2026, otherwise late fees may apply. If you currently have a 3 year license that does not expire until December of 2026 or 2027 you will not need to renew until after that current license expires at which time you will only be able to renew for one year.

The Township is now using the SDL portal for licensing. The link will be available under the Municipal Clerks tab on the Township's website, edgewaterpark-nj.com. You will be required to create an account and will be able to access your records from that account. All renewals and payments will now be made electronically through this system. You will not be able to renew your license until on or after January 1, 2026. You will be able to review your dog's information to make sure we have an updated rabies certificate and spaying/neutering documentation prior to processing.

**THE TOWNSHIP WILL BE OFFERING A FREE RABIES CLINIC
SATURDAY, JANUARY 10, 2026
10 AM to 12 PM
WEIMANN FIELDHOUSE BUILDING
